**Membership Dues Payment Options**

**Payment in Full**

If you elect to pay your membership dues in full, you are set for a year! Prior to your membership expiration date, you will receive a renewal notice.

**Auto-Renewal**

If you select this option, you must provide credit card information for processing. Each year, on your anniversary date, your credit card will be charged in full for your membership dues. This is a convenient way to keep your membership active without the worry of lapses. Note: By choosing this option, you understand that your credit card will remain on file with an outside service provider and you release OSPAs from any liability for lost or stolen information.

**Monthly Dues Installments**

This is an option for those who want to manage their membership dues on a monthly basis. This applies only to members who pay full dues and are not eligible for discounts. If you select this option, your annual membership dues will be divided into 12 monthly installments. The first installment will include an additional \$20.00 administrative processing fee to cover the extra cost incurred by OSPA. OSPA offers this payment plan option as a courtesy to our members. The total annual dues amount is owed to OSPA even if you decide to discontinue your membership during the year.

OSPA dues are not deductible as a charitable contribution for federal income tax purposes, but may be partially deductible as a business expense. OSPA estimates that 29% of your dues are not deductible because of OSPAs lobbying activities on behalf of its members.
